# ***Mission Statement and Code of Ethics***

## ***Mission Goals***

- To be the respected voice of the building industry.
- To be a deciding factor in political, legislative and regulatory matters.  
land.
- To be the resource for members to enhance business opportunities.  
governmental entities to accommodate an expanding economy.
- To provide educational opportunities for the professional advancements of its members.

## ***Code of Ethics Article IV***

(Code of Ethics for all SRVBCA Members)

The members of the Association shall be limited to those persons and firms who shall subscribe to the following Code of Ethics.

Members of the Snake River Valley Building Contractors Association believe and affirm that:

- Home ownership can and should be within the reach of every American family.  
communities with educational, recreational, religious and shopping facilities accessible to all.
- American homes should be built under the free American enterprise system.

To achieve these goals, we pledge allegiance to the following principles and policies:  
enterprise economic system, we assure those certain prime responsibilities to our community and our customers.

- Honesty is our guiding business policy.
  - High standards of health, safety and sanitation are built in every home.
  - Members shall deal fairly with their respective employees, sub-contractors and suppliers.
- building techniques, new building equipment and improved methods of home financing, to the end that every home purchased may get the greatest value possible for every dollar.  
informed and vigorous support.
- to our associates, our Local, State and National Associations and all related industries concerned with the preservation of legitimate rights and freedoms.

We assume these responsibilities freely and solemnly, mindful that they are part of our obligation as
